Action Taken Report on Feedback from Teachers for Curriculum Development

Date: 02/01/2024

Prepared by: Mr.Amit Sinhal

Introduction: Following the feedback received from teachers, regarding curriculum development, an action taken report has been compiled to address the suggestions and concerns put forward.

Feedback Summary:

- Lack of Industry-Relevant Courses:** Teachers expressed concern over the curriculum's alignment with industry standards and suggested integrating more practical and industry-oriented courses.
- Outdated Content:** Some teachers highlighted the presence of outdated content in certain courses and recommended regular updates to keep pace with advancements in the field.
- Need for Soft Skills Development:** There was a consensus among teachers regarding the importance of incorporating soft skills development modules to enhance students' overall employability.
- Research Emphasis:** Several teachers emphasized the need to foster a research-oriented approach within the curriculum to encourage innovation and critical thinking among students.
- Enhanced Collaboration:** Teachers proposed increased collaboration with pharmaceutical companies and research institutions to provide students with hands-on experience and exposure to real-world scenarios.
