4. Student Support Services:

- Identified Issues:** Some students expressed concerns about the availability and accessibility of academic support services.
- Action Plan:**
- Establish a dedicated student support center to provide academic counseling, career guidance, and assistance with study skills.
- Introduce mentorship programs where senior student and staff can guide and support junior peers.

5. Communication and Feedback Mechanism:

- Identified Issues:** Feedback suggested a lack of effective communication channels for students to express their concerns and suggestions.
- Action Plan:**
- Implement regular feedback sessions at departmental and college levels to provide students with a platform to voice their opinions.
- Set up an online feedback portal accessible to all students for submitting suggestions and grievances anonymously.

6. Health and Well-being:

- Identified Issues:** Some students raised concerns about the lack of health and well-being initiatives within the college campus.
- Action Plan:**
- Organize health awareness workshops and wellness programs focusing on stress management, nutrition, and mental health.
- Collaborate with healthcare professionals to provide periodic health check-ups and counseling services for students.

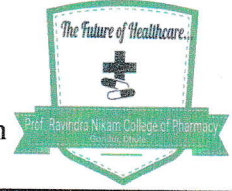

We are committed to implementing these action plans in a timely manner to address the concerns raised in the feedback forms. Continuous improvement is essential for the betterment of our institution, and your feedback plays a crucial role in this process.
