2.1 Awareness Program

The institute is steadfast in its commitment to fostering comprehensive development among its students through a wide range of awareness programs. These programs aim to create awareness against superstition and prejudice among rural people, increase students' participation in cultural activities, and enhance their communication skills and adjustment abilities. Awareness campaigns are organized at specific times throughout the year, often dedicated to educating the public about various philanthropic causes, medical conditions, organizations, or topics. Initiatives such as the 'Yuvati Sabha,' a day-long personality development workshop, and cleanliness awareness campaigns are meticulously designed to encourage active participation in events like the 'Organ Donation Abhiyan' and organ donation rallies. These events instill a sense of public responsibility and promote health consciousness. The institute also commemorates significant national observances such as 'Community Raksha Bandhan Divas,' 'National Unity Day,' 'Pharmacist Day' (India Eat Healthy, Stay Healthy), fostering a deep understanding of democracy, unity. The organization of health camps for the elderly under the National Service Scheme (NSS) demonstrates a commitment to community well-being programs that address crucial issues such as health and disability. These initiatives further underscore the institute's dedication to creating socially aware and compassionate citizens. In addition to these efforts, the institute actively participated in the 'Har Ghar Tiranga Campaign 2022' (हर घर तिरंगा अभियान 2022), which is a campaign under the aegis of Azadi Ka Amrit Mahotsav, aimed at encouraging people to bring the Tiranga home and hoist it to commemorate the 75th year of India's independence. Furthermore, the institute conducts awareness programs in schools to educate and raise awareness among students on various topics, including eye conjunctivitis and blood donation campaigns. Health checkup camps, including BMI checkups, are also organized on campus."

Brief report on activity	In a world filled with bullying and societal pressures, we need our girls to grow up knowing that they are smart, strong, and empowered. No matter what goals they aspire to achieve, our young women need to know that if they work hard, they can reach for the stars. No matter her age or skill level, there is a place for her in our community and self-defense for girls could be the best thing for women of all ages. With the help of grant received from the student development department, KBC, NMU, Jalgaon, we organized this workshop. This year it is 11th self-defense workshop organized by the institute.
